PROFILE

Frontend Developer with hands-on experience in designing and developing responsive web applications using React.js, JavaScript (ES6+), HTML5, CSS3, and REST APIs.

Experienced in building reusable UI components, integrating APIs, debugging frontend issues, and collaborating with cross-functional teams to deliver scalable web applications.

Strong understanding of component-based development, responsive layouts, browser debugging, Git workflows, and frontend engineering best practices. Passionate about building clean, maintainable, and user-centric interfaces while continuously learning Next.js, Redux Toolkit, TypeScript, and frontend performance optimization.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript (ES6+), React.js
- **React Ecosystem:** React Hooks, Component-Based Development, React Router, Context API (Learning)
- **Styling:** Responsive Design, Flexbox, CSS Grid, Media Queries
- **API Integration:** REST APIs, Fetch API, JSON
- **Backend Fundamentals:** Node.js, Express.js, MongoDB
- **Developer Tools:** Git, GitHub, npm, VS Code, Postman, Chrome DevTools
- **Core Concepts:** DOM Manipulation, Cross Browser Compatibility, Debugging, Problem Solving, Version Control, Frontend Optimization
- **Currently Learning:** Redux Toolkit, Next.js, TypeScript, Performance Optimization

PROFESSIONAL SKILLS

- Frontend Development
- Problem Solving
- API Integration
- Team Collaboration
- Communication
- Responsive Web Design
- Debugging
- Technical Troubleshooting
- Agile Collaboration
- Time Management
- Fast Learning
- Adaptability

PROFESSIONAL EXPERIENCE

Frontend Developer (Full-Time)

Oct 2025 – Mar 2026

Brainy Sensei

- Developed and maintained responsive web applications using HTML5, CSS3, JavaScript (ES6+), and React.js.
- Built reusable and maintainable UI components following component-based architecture.
- Collaborated with backend developers to integrate REST APIs and display dynamic data efficiently.
- Worked closely with designers to implement responsive and user-friendly interfaces across desktop and mobile devices.
- Debugged frontend issues, resolved UI inconsistencies, and ensured cross-browser compatibility.
- Participated in feature implementation, code reviews, sprint discussions, and Git-based collaborative development workflows.
- Improved application usability through interface enhancements and responsive layout optimization.
- Followed clean coding practices and contributed to maintaining scalable frontend codebases.

PROJECTS

CareerCoded – Educational Platform

[Live Demo](#)

- Developed responsive and user-friendly interfaces using React.js, JavaScript, HTML5, and CSS3.
- Built reusable UI components to improve maintainability and consistency across the application.
- Integrated REST APIs using Fetch API for dynamic content rendering and seamless user interaction.
- Implemented responsive layouts using Flexbox, CSS Grid, and Media Queries for multiple screen sizes.
- Improved overall user experience by optimizing page layouts and enhancing frontend interactions.
- Collaborated with team members using Git and GitHub throughout the development lifecycle.
- Worked on debugging, feature enhancements, and UI improvements while maintaining clean and readable code.

Personal Portfolio Website

[Live Demo](#)

- Designed and developed a responsive personal portfolio showcasing projects, technical skills, certifications, and professional profile.
- Built using React.js with reusable components and responsive layouts.
- Optimized navigation and user experience across desktop, tablet, and mobile devices.
- Deployed the application using Vercel with GitHub integration for continuous updates.

EDUCATION

Master of Computer Applications (MCA)

2021 – 2023

Guru Jambheshwar University of Science & Technology, Hisar

CERTIFICATIONS

Full Stack Web Development

Dec 2024 – May 2025

Apna College

Full Stack Development (Offline)

Jul 2025 – Present

AccioJob, Noida

ADDITIONAL INFORMATION

- Strong understanding of JavaScript fundamentals, ES6+, asynchronous programming, and REST API integration.
- Hands-on experience developing responsive React applications using reusable components.
- Familiar with Git-based collaborative development workflows and version control best practices.
- Continuously learning modern frontend technologies including Next.js, Redux Toolkit, TypeScript, frontend performance optimization, and scalable application architecture.
- Passionate about writing clean, maintainable, and reusable code while following frontend engineering best practices.

LANGUAGES

- English – Professional Working Proficiency
- Hindi – Native Proficiency

INTERESTS

- Frontend Development
- React Ecosystem
- UI/UX Design
- Web Performance Optimization
- Problem Solving
